## WORK EXPERIENCE

### UX UI DEVELOPER | DIGITAL PLATFORMS & ENGINEERING

**THE GOODYEAR TIRE & RUBBER COMPANY** | Akron, Ohio | June 2021—Present

Created user flows, wireframes, and screen designs for Goodyear's implementation of an Azure B2C custom solution. Also, built out the UI on the front-end with Vue.js.

As the UX UI expert for the redesign of the enterprise application used for Goodyear's tire leasing program, I conducted extensive user research & user interviews, constructed user personas & user stories, and created wireframes for each feature and interaction for this large system. In addition, I created the screen designs and style guide.

### DIGITAL DEVELOPER | DIGITAL & ANALYTICS

**THE GOODYEAR TIRE & RUBBER COMPANY** | Akron, Ohio | June 2020—June 2021

Created wireframes, screen designs, and style guide for the Goodyear Trusted Advisor Tool. Built the UI for the web application with React.tsx.

Created the screen designs and worked on front-end development with React.tsx for a large, searchable, indexed file system utilized within Goodyear.

Completed the Microsoft Azure Fundamentals AZ-900 certification.

### GRAPHIC DESIGN INTERN AT PATHWORKS!™ | Akron, Ohio | June—August 2019

Created newly revamped brand guidelines with a more modern design for the local community small business and redesigned PATHworks!™ brand collateral.

Assisted with redesign of website by providing brand guidelines and overall look & feel.

### CREATIVE SERVICES INTERN AT HILEMAN GROUP | Cleveland, Ohio | May—August 2018

Front-end development on two site builds using HTML, CSS, SASS, JavaScript, and C#. Also, integrated the site into the content management system, Kentico.

Visual design on two websites. Designed using Adobe Photoshop and Illustrator. Also, created mood boards to influence the look and feel for the client.

UX (user experience) design on two client sites. This included sitemaps laid out in SlickPlan and wireframes designed in Adobe Illustrator.

Earned HubSpot web design certification.

## ACCOMPLISHMENTS AND PARTICIPATION

### THE UNIVERSITY OF AKRON DANCE TEAM | Summer 2014—Spring 2020

Exemplified excellent time management balancing learning dances everyday, practices, football and basketball games, NDA national dance competition, and school.

Senior captain on the team.

### THE UNIVERSITY OF AKRON NASA SUITS DESIGN TEAM | Spring 2018

The project objective was to design a program to run on the Microsoft AR HoloLens to demonstrate how it would be integrated into a spacesuit to help improve the safety and efficiency of spacewalk missions and tasks. I was able to design the web application component for the project. Also, helped develop the application for the HoloLens in Unity and Visual Studio using C#.
